Wednesday - 30 September 1964

1. [ ] Met with Dr. Martin Sweig, Secretary to Speaker McCormack, and asked his advice as to whether it might be appropriate and helpful if the Director were to call Speaker McCormack about our retirement bill which is due to be taken up on the floor of the House within the next day or two. Dr. Sweig said he thought it would be a good idea for the Director to do this and suggested the call be made to the Speaker at about 3:00 P.M. today. This information was passed on to Mr. McCone.

2. [ ] Delivered to Robert McManus, Senate Internal Security Subcommittee staff, a copy of the article entitled "USA: Revolution Without Violence" which appeared in the March 1964 issue of the magazine REVOLUCION.

3. [ ] Left for Mr. Richard Murphy, in the office of Senator Hugh Scott, two FBIS items which Murphy had requested.

5. [ ] Met with Russ Blandford and reviewed and made minor editorial corrections in the transcript of the hearings of the Committee review of Senate amendments to H.R. 8427. In the absence of Representative Rivers, the Subcommittee Chairman responsible for floor handling of this bill, the bill will probably not be called up on the floor of the House until Thursday.

6. [ ] Met with Sam Archibald, Staff Director of House Foreign Operations and Government Information Subcommittee, who advised that the Subcommittee did not meet today. In consequence, publication of the polygraph report has not been ordered. I also learned separately that a letter is forthcoming today from Chairman Dawson, Chairman of the full House Government Operations Committee, that no more Committee meetings will be scheduled.

7. [ ] The Director's office notified me at 5:00 P.M. that the Director had just spoken personally with Speaker McCormack and the Speaker in turn had called the Clerk of the Armed Services Committee. Our retirement bill will be up on the floor of the House tomorrow and it looks like it is going to be all right.

8. [ ] Following the telephone call of Senator Milton Young to the DCI in connection with the briefing of the Senator before his trip, I talked with Mr. William Woodruff who is traveling with the Senator. Woodruff indicated the Senator is extremely interested in the Agency and does want to make arrangements for briefings. It was agreed I would meet with Woodruff tomorrow to go into the details including the Senator's itinerary although the trip itself will not take place until after the elections.

9. [ ] Contacted the office of Representative Dante B. Fascell who advised he was not expected in town until tomorrow. We will attempt to arrange an appointment sometime tomorrow.
